

ZEMIRA KONJALIC

Program Manager, DTCare Bosnia and Herzegovina Operations

Zemira Konjalic graduated from the University of Travnik, Bosnia and Herzegovina, with a Bachelor's Degree in Education. Her key competencies include program and project management, HR, social media marketing, and photography.

Zemira is a skilled administrator with over 20 years of experience in office management including, human resources, payroll, accounting, logistics, and purchasing. Her administrative background encompasses investment, construction, PR, and broadcast media companies, in Sarajevo. Zemira also actively worked with various non-profit organizations and associations in Bosnia to preserve cultural diversity, nature, biodiversity, and to assist displaced and disadvantaged individuals.

At DTCare, Zemira is the in-country program manager for our Bosnia and Herzegovina operations. She is responsible for promoting DTCare's strategic goals in a post-conflict and multi-ethnic society, developing a sense of civics, peacebuilding, disarmament, as well as advocating for gender equality. With her strong non-profit and management background, Zemira is well-suited and equipped for the role of program manager.
