

## **CHARBEL MOUNZER**

*Operations Manager, DTCare Lebanon*

Charbel Mounzer is a Business Administration & Management graduate from one of the top universities in Lebanon. His experience in administration, communication, and finances in multiple fields equip him to tackle projects from inception to delivery.

Mounzer is primarily responsible for handling all forms of communication ranging from follow-up and project overview to delivering effective and targeted messages.

Currently, Mounzer is DTCare Lebanon's Warehouse and Distribution Operations Manager. He takes the lead on day-to-day operations and the distribution of supplies to local NGOs and individuals at the DTCare warehouse and distribution center.
